Overview

Quenda is situated in the heart of Perth's growing southern corridor, Hammond Park. Located on the doorstep of the stunning Harry Waring Marsupial Reserve and Thomsons Lake, Quenda offers buyers the chance to build their dream home amongst a tight-knit

neighbourhood.

Carefully planned to ensure there is a strong community focus – Quenda includes a range of lot sizes, active streetscapes and access to quality educational facilities.

7,500m² of landscaped playgrounds and parklands as well as numerous community facilities means residents, families and friends are sure to spend countless hours enjoying the outdoors.

QUENDA ENVIRONMENTAL VALUES

Quenda is named after the native Australian marsupial often found in bushland surrounding Perth. Education on the environment is an important part of the Quenda community, and to help promote this there are plans to include an education trail of informative plaques on native flora and fauna throughout the parklands.
